### Career

You take all of your responsibilities quite seriously. As a result you have much ambition and will be sought after by your superiors to take on additional responsibilities. Therefore, you should direct your goals toward career positions in an executive capacity.

### Occupation

Whatever you turn to, you will engage in with all your might - one at a time. Then, if monotony or routine plays a large part in the chosen occupation, you will become restless and look for a complete change. Accordingly, you must see to it that, at the outset, you choose a form of work possessing plenty of variety. You should think of nothing that keeps you seated in an office, since you need movement. There is much in a commercial traveller's work that will appeal to you. But, there are thousands of jobs, which will take you from place to place and where you will constantly seeing fresh faces, that will be suited to your requirements also. You have an excellent executive ability which fits you for ruling your own right after you reach the age of 35. Moreover, at about this time, you become unfitted for serving under others.

### Health

### Hobbies

Outdoor pursuits engage much of your leisure time and you find them exceedingly beneficial. The fear is that you may overdo them and harm your constitution. You love movement in the open. Thus, if horse-riding does not attract you, it is certain that you enjoy the pleasures of fast motoring or perhaps, a long journey in a train, as well as a pleasure trip. You take a keen interest in educating yourself, using books or educational visits for the purpose. More than likely you gain far more satisfaction than knowledge from the effort.

### Love Matters

You never forget friends. Consequently, you have a large circle of acquaintances, many of them speaking a foreign tongue. From among this large circle you will choose a partner, if you have not already done so. Usually, the choice will surprise those who know you best. You will marry and be comfortable. But, marriage will not be everything to you, as it is to most people. Other diversions will be there with it and take your interests away from the home. Should your partner endeavour to curb this inclination, it may lead to a possible rupture.

### Finance

You will have many ups and downs in money matters, but chiefly owing to your own rashness and in attempting enterprises beyond your power of execution. You would make a successful company promoter, preacher, orator or organiser. You will always have the ability to make money but at the same time you are likely to make bitter enemies in the course of your business. You will be under good conditions for making money in business, industry or enterprise, and you will have many opportunities of amassing wealth if you keep control over your strong-willed disposition, which at times will be inclined to wreck your good fortune by causing expensive litigation and powerful enemies to rise in your path. So, you should try to develop tact in the handling of individuals and avoiding disputes.

## || Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Ninth house from Lagna, while in the Moon chart Mangal is placed in Eighth house.

### Hence Mangal Dosha is not present in Lagna Chart while present in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

### Some Remedies (in case Mangal Dosha is present)

#### Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

#### Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

#### Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

### Shani Sade Sati: Rising Phase

This is starting period of Shani's Sade Sati. In this period Saturn will be transiting in 12th house from the Moon. It generally indicates financial loss, problems by hidden enemies, aimless travel, disputes, and poverty. During this period, you may face problems created by your hidden enemies. Relationship with your colleagues will not be good enough and they will create problems in your work environment. You may also face challenges on your domestic front. This may create pressure and tension. You need to exercise control over your spending otherwise it will lead to bigger financial problems. Long distance travels may not be fruitful during this period. Saturn's nature is of delay and dejection, but generally you will get results eventually, so be patient and wait for your turn. Take this period as learning period, put your hard work and things will fall in place. You are advised not to take high risks in business matters in this period.

### Shani Sade Sati: Peak Phase

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

**Note:** Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also needs to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

## || Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
